PROFESSIONAL SUMMARY

Dynamic and dedicated individual with experience volunteering at NSS, where I successfully organized engaging events and maintained operational facilities. A fast learner with strong problem-solving abilities and excellent teamwork skills, I excel in multitasking and leveraging computer skills to enhance program effectiveness. Hardworking student offering part-time work experience and extensive knowledge of core subject matter. Meticulous and detail-oriented with excellent observational, organizational, and communication skills.

SKILLS

- Teamwork and Collaboration
- Fast Learner & Quick Learner
- Problem-Solving
- Computer Skills
- Multitasking and Organization

EXPERIENCE

Volunteer | NSS (National Service Scheme) – Dehradun (Feb 2024 – Present)
- Assisted with special events and programs.
- Maintained clean, neat, and operational facilities to serve program needs.
- Supported engaging, fun, and smooth-running events by helping with organization and planning.
- Used strong interpersonal communication skills to convey information to others.

Intern | IBM – Dehradun, India (Remote) (Jan 2025 – Feb 2025)
- Supported staff members in their daily tasks, reducing workload and allowing focus on higher-priority assignments.
- Applied learned concepts in real-world situations within a specific industry.
- Analyzed problems and collaborated with teams to develop solutions.
- Contributed to a positive team environment by working with fellow interns on group projects and presentations.
